4992 - Chili & Peppers Extra Mature Chedda

Tasty and full-bodied, Tickler has a flavor profile that goes beyond the range of extra mature Cheddars currently available. This variety has a sharp, bold flavor and a smooth, savory finish.

\* Benefits

Ticklers Extra Mature English Cheddar gets a zesty kick from a generous addition of diced chilies and peppers. Just like the original cheddar, this variety has a sharp, bold flavor and a smooth, savory finish. For a mature cheddar, it melts well, making it a great way to indulge with such classics as cheesy baked potatoes, smothered chicken breasts, or just a classic toasty. Although the chilies are spicy, its hard to stop nibbling at a cheddar this tasty! Tasty and full-bodied, Tickler has a flavor profile that goes beyond the range of extra mature Cheddars currently available. Tickler is made in the heart of the Devon countryside in the Taw Valley where it ripens for 18 months. Because of its loaf shape, Tickler is popular for catering and in restaurants. In 2008 it won two awards: The Caterer and Hotelkeeper Excellence in Food and Drink Award for the dairy category and the Grocer Branded Excellence Award for Cheese. Sweet and tangy, and great for melting.
