* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

After applying sea salt, our Prosciuttos are aged for a minimum of nine months. Our experts inspect each Prosciutto individually to determine when they have reached perfection. The process is lengthy but it ensures that every slice has a consistently sweet - never salty - flavor.

Ingredients

pork, salt
