* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Le Chablochon is a round cheese with a taller than usual rind. A softtextured, melt-in-the-mouth cheese with a strong, aromatic bouquet awaits you under its copper-coloured, lightly scored rind. The careful blend of ingredients produces a cheese with a soft texture inside which is subtle on the palate and has a distinctive flavour.

Le Chablochon is stored in cellars in order to allow its rich aroma to develop gently over time. The cheese acquires its orange colour after regular addition of some extra ingredients.

Ingredients

pasteurized cow milk, salt, rennet, lactic ferments
