#### \* Benefits

Le Chablochon is a round cheese with a taller than usual rind. A softtextured, melt-in-the-mouth cheese with a strong, aromatic bouquet awaits you under its copper-coloured, lightly scored rind. The careful blend of ingredients produces a cheese with a soft texture inside which is subtle on the palate and has a distinctive flavour.

Le Chablochon is stored in cellars in order to allow its rich aroma to develop gently over time. The cheese acquires its orange colour after regular addition of some extra ingredients.
