### \* Benefits

Castello Traditional Danish Blue is made with homogenized milk, which contributes to developing strong "bite" of the blue mold and the whiteness of the cheese mass. A fine, nutty, blu mold aroma with hints of marzipan. The taste is an exact blue mold; soft and elegant bitterness with a marzipan note overlaid on the sourdough sourness of the cheese. Served with Roasted almonds in syrup and almost anything, just not red wine! Fantastic when used as a garnish with beef dishes and perfect with crusty bread.
