

Banner Butter

51000 - Sea Salt Butter

Delicious hand-harvested sea salt is delicately sprinkled into our cultured, small-batch churned butter, creating an exceptional flavor and texture in this time-honored classic.

* Benefits

Armed with nothing more than a few 19th century dairy journals, a small mixer and a passion for simple and natural foods, Andrew and Elizabeth McBath, set out to create a traditional, slow-cultured butter with deep taste and a connection to grass-fed dairies and processors. With plenty of encouragement from friends and family, Drew and Elizabeth began selling tiny runs of Banner Butter at farmers markets, local butchers, and small bakeries. Over the past several years, Banner Butter has expanded across the country, yet the company maintains its small-batch, traditional approach to butter-making. Since inception, Banner Butter has offered one of the only slow-cultured, batch-churned butters in North America. We go big, but only in taste. Everything else is small, simple, and slow.
