* Benefits

Quince & Apple hand crafts artisan foods in small batches. We are a truly small, values-driven company located in the heart of Madison, WI. Our fairly-paid food artisans make each pot of preserves in open, five-gallon pots from real produce, sourced from the Midwest when in season. Each preserve is carefully crafted to balance sweet and savory notes so that it pairs perfectly with cheese, as well as more traditional pastries.

In Figs and Black Tea, full-bodied black tea and sweet, delicate figs combine in sultry counterpoint, creating a thoroughly seductive preserve.

Cheese board pairings: bleu cheese; chevre; prosciutto. Extremely versatile with cheeses.

Other great uses: spoon over vanilla ice cream for a rich dessert.

All of our preserves have a clean label with simple ingredients, and are all-natural, vegan, gluten free, and non-GMO. This preserve contains only tea, figs, cane sugar, lemon juice and pectin
