

Reypenaer

5327 - Aged 1 Year Gouda Wedge

Reypenaer Gouda boasts a denser, drier texture that helps create the development of crunchy crystals in the cheese, giving it an increasingly intense flavor of roasted nuts. This cheese is naturally ripened, or aged, for 12 months.

* Benefits

Reypenaer Gouda, made in Holland, is radically different than the traditional red wax gouda. It boasts a denser, drier texture that helps create the development of crunchy crystals in the cheese and an increasingly intense flavor of roasted nuts. 'Reypenaer' means 'ripening' in Dutch, and this cheese is ripened, or aged, for 12 months. The cheese is kept in a 100-year-old cheese ripening warehouse on the banks of the Old Rhine River in the green heart of Holland, and naturally ripened. Reypenaer 12 Month Gouda is made with animal (not vegetarian) rennet and is gluten-free. This cheese is perfect eaten on it's own, but also makes a stand-out addition to a cheese or charcuterie board.
