### \* Benefits

Located in Wisconsin in the heart of Amish Country, we craft our cheese with milk from local Amish dairies that is delivered to the factory in chilled milk cans, the old-fashioned way. The average herd size per farm consists of just 12 cows, making these truly family farms. This Goat Cheese is made from fresh, high-quality milk from small herds, grazed on lush pasture. Recognized by the American Cheese Society and the World Dairy Expo as among the best goat milk cheeses in America.
