### \* Benefits

Located in Wisconsin in the heart of Amish Country, we craft our cheese with milk from local Amish dairies that is delivered to the factory in chilled milk cans, the old-fashioned way. The average herd size per farm consists of just 12 cows, making these truly family farms. A new twist on a timeless classic, Muenster made with smooth delicate goats milk. Use in place of traditional Muenster.

### Ingredients

Pasteurized cultured goat milk, salt annatto (color), enzymes.
