\* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

### \* Benefits

Sweeter than your typical cheddar, with a crumbly yet creamy consistency, Murray's High Plains cheddar represents generations of Midwestern cheesemaking, with milk from local, small family farms. The High Plains cheddar is a unique hybrid - an Alpine cheddar inspired by Swiss Mennonite roots. The resulting block is surprisingly sweet and nutty, balancing subtle grassy notes that linger on the palate. Approachable almondy tones are accented by a glass of Rose.

### Ingredients

Pasteurized Cow's Milk, Salt, Vegetable Rennet, Cultures
