### \* Benefits

At Barilla, we're passionate about pasta. After all, we have been pasta makers since 1877. As an Italian family-owned food company, Barilla pasta is synonymous with high quality and "al dente" perfection every time. Our Campanelle is made from the finest durum wheat and is non-GMO verified, peanut-free and suitable for a vegan or vegetarian diet. Campanelle means "little bells" in Italian and is quite possibly the most beautiful pasta shape. With its petal-like, ruffled edges, Campanelle is appealing in many pasta dishes. Shaped like flower petals, Campanelle's delicate yet robust pasta cut has a hollow center to help embrace the pasta sauce it is served with.
