

Emmi

61002 - Gruyere Cave Aged 1 Year

Gruyere Kaltbach has flavors of dried stone fruit, spice, black tea and hazelnuts with an earthy depth. The texture is smooth with a slight flake and pronounced crystal crunch. Pair with toasted pecans, fig or pear mostarda, cherry jam, rustic bread, and cured meats and olives.

* Benefits

Emmi USA is part of Emmi Roth, a subsidiary of Emmi Group, the largest Swiss milk processor and one of the most innovative premium dairies in Europe. Emmi Group passionately supports farmers, cheesemakers and family tradition, using the same Swiss-made cheese recipes passed on for centuries. All Emmi cheeses are rBST-free, Non-GMO and naturally gluten-free. Gruyere Kaltbach has flavors of dried stone fruit, spice, black tea and hazelnuts with an earthy depth. The texture is smooth with a slight flake and pronounced crystal crunch. Pair with toasted pecans, fig or pear mostarda, cherry jam, rustic bread, and cured meats and olives. Enjoy with Cabernet Franc, Red or White Burgundy, Grenache, Syrah, or Single Malt Scotch. Kaltbach cheeses are carefully crafted in the deep, cool Kaltbach Cave located in the Alpine Valley of Switzerland. The Kaltbach Gave is a 22 million-year-old natural sandstone labyrinth with a small tranquil river running through. In fact, Kaltbach is a German word that translates to cold brook. The natural brook inside the cave allows for a constant humidity of 96 percent in the mieral-rive avei. This natural process regulates the humidity, which is a crucial part of the texture and flavor development and what makes this cheese unlike any other in the world.
