### \* Benefits

At Hollands Family Cheese we take pride in modern family farming and handcrafting our farmstead, raw milk, award winning, Dutch-style Gouda cheese. Marieke Gouda our signature cheese is made in Thorp, Wisconsin. Cheesemaker Marieke Penterman and her team put their passion for making artisan cheese into every wheel they make - and you can taste it! Each wheel of Gouda is made with fresh milk combined with cultures, traditional herbs, spices, and seeds from the Netherlands. The Gouda cheese is carefully cured on Dutch pine planks in a temperature and humidity-controlled aging room, honoring the Old-World cheese making methods from the Netherlands. Raw milk cheese is aged for a minimum of 60 days. At our farmstead creamery, we control the quality of the Gouda from start to finish.
