Benefits

La Bonne Vie Camembert is a domestically made cow's milk Camembert that offers mild butter flavor and creamy, spreadable texture. Known for its excellent quality and flavor, La Bonne Vie Camembert is distinguished by its rich earthy flavor notes and creamy paste. Like brie, this creamy, bloomy rind cheese is best served at room temperature and can be sliced thin on sandwiches to add an additional creamy layer. The slightly stronger earth notes of camembert make it pair wonderfully with robust cured meats and pickled veggies. La Bonne Vie camembert is made using fresh cow's milk and vegetarian rennet, resulting in a consistently smooth and enjoyable experience every time.
