69690 - The Drunken Goat Wedge

Literally meaning "goat with wine" this semi-firm pasteurized goat from Spain's Mediterranean coast is cured for 48-72 hours in Doble Pasta red wine. The paste remains nearly pure white and the rind absorbs a lovely violet hue.

* Benefits

This mild Spanish goat's milk cheese spends a couple of days soaking in local Monastrell wine, which imparts a delicately sweet finish and gives the rind its gorgeous violet hue. Drunken Goat, also known as Murcia al Vino, is made from Murciana goat's milk, which is not game-y or "goat-y" tasting. Great for entertaining, and a real crowd pleaser.
