* Benefits

Prosciutto is an Italian dry-cured ham that melts in your mouth when sliced thin enough. The process of curing Prosciutto is still considered an art form in Italy. Using only salt, the meat is dried and aged for 8 to 12 months, then hand-selected and handtrimmed. With its delicately sweet, slightly salty flavor and soft, buttery goodness, Prosciutto is always a versatile choice. Prosciutto is the highlight to any charcuterie board, pairing well with less-salty cheeses such as mozzarella or Parmesan. The sweetness of fruits like melon or fig complements the delicious fattiness of Prosciutto as well. Our thin, pre-cut slices make it easy to incorporate this regional favorite into any dish. Enjoy in a sandwich, on pizza, or any meal as long as the flavor is allowed to shine.
