* Benefits

The name Pancetta stems from the Italian word pancia, meaning belly of the pig. Pancetta is made from pork belly and is dry-cured using a combination of salt and curing salts, as well as garlic, wine and a variety of spices and seasonings. Cooking Pancetta in a saut pan is an excellent way to help it develop a crisp coating that makes for a delicious, delicate, smoky bite. Pancetta has chewy, dense textures, smoky flavors and peppery aromas that add excitement and intriguing attributes to a variety of dishes. Use our Pre-Sliced Pancetta to add bold flavor to salads, sandwiches, pasta or any of your favorite recipes.
