Black Diamond mild cheddar contains the perfect balance of milk fat and moisture to give it a smooth taste and texture. It is a product of renowned Canadian know-how and expertise in cheddar-making, whose exclusive aging method has yielded a premium cheddar with a unique taste.

## \* Benefits

Black Diamond mild cheddar contains the perfect balance of milk fat and moisture to give it a smooth taste and texture. A good mild cheddar should have no cracks, pinholes or breaks. With aging, the mild cheddar develops into a medium cheddar. This maturity brings on a hint of the sharpness that makes aged cheddars well worth the wait. Black Diamond Cheese has been crafted in Canada since 1933. It is a product of renowned Canadian know-how and expertise in cheddar-making, whose exclusive aging method has yielded a premium cheddar with a unique taste.
