* Benefits

Quince & Apple hand crafts artisan foods in small batches. We are a truly small, values-driven company located in the heart of Madison, WI. Our fairly-paid food artisans apply our special sugar coating and bake each tray of nuts individually, hand-tossing and sorting every batch. Each recipe is carefully crafted to balance sweet and savory notes so that it pairs perfectly with cheese, as well as being super-snackable out of the bag.
A little bit spicy, a little bit salty, a little bit sweet, these small-batch Spiced Pecans are made with premium pecans sourced direct from US family growers. As seen in Martha Stewart Living!
Perfect on a charcuterie board. Try with alpine-style, aged gouda, blue and goat cheeses.
Also excellent for culinary uses: chop and top a salad or add to an ice cream sundae.
All of our nuts have a clean label with simple ingredients, and are all-natural, vegan, gluten free, and non-GMO. The ingredients are simple: pecans, cane sugar, salt and spices.
