### \* Benefits

Quince & Apple hand crafts artisan foods in small batches. We are a truly small, values-driven company located in the heart of Madison, WI. Our fairly-paid food artisans apply our special sugar coating and bake each tray of nuts individually, hand-tossing and sorting every batch. Each recipe is carefully crafted to balance sweet and savory notes so that it pairs perfectly with cheese, as well as being supersnackable out of the bag.

A little bit spicy, a little bit salty, a little bit sweet, these small-batch Spiced Pecans are made with premium pecans sourced direct from US family growers. As seen in Martha Stewart Living!

Perfect on a charcuterie board. Try with alpine-style, aged gouda, blue and goat cheeses.

Also excellent for culinary uses: chop and top a salad or add to an ice cream sundae.

All of our nuts have a clean label with simple ingredients, and are all-natural, vegan, gluten free, and non-GMO. The ingredients are simple: pecans, cane sugar, salt and spices.
