### 85218 - Strawberry Rhubarb Jam

#### \* Benefits

Growing up in Southern California, first of the season rhubarb and strawberries both ripening at the same time was always remarkable. These fruits were meant to find each other. And their marriage with this combination is a tribute to the farms of my childhood. Delicious with almost any creamy cheese and my favorite a tasty topping for ice cream. Bonnie. This item is a great addition to anyone's pantry for year round entertainment and personal enjoyment.
