* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Esti: Better life for all.
Life is a marvel, but you can make it a lot better for you, for your family and for all of us.
That's why we planted the seed of change for all peoples daily diet, inspired by the earth grown tastes of Mediterranean living. Because what we eat makes us who we are, a plant based nutritionally balanced diet is the key to a healthy life. We provide to you a plant based nutrition with pure, natural Mediterranean ingredients leading to a healthy way of life for every one of us, but also our one and only planet. The best nutrition you can get, used made a better life for all.
Something is changing for the better in our way of living. More and more people want to include in their daily diet natural and plant-based foods. That's why we created the ESTI brand, which is inspired by the Mediterranean diet.
ESTI products are all natural and are ideal for any type of diet: vegan or vegetarian according to their ingredients, or flexitarian for those who choose the best of any kind of diet according to their aspects.
ESTI is an holistic brand inspired by the essence of resilience that promotes healthy lifestyle and well-being, taking into consideration our customers health & lifestyle, the environment, ethical manufacturing and labor practices.
Our production comes from the history of healthy & natural Mediterranean living, with the sun, salt water and climate of the region influencing the growth of all the fruits and vegetables. Our philosophy combines passion for quality, attention to detail, selective Mediterranean ingredients, and exceptional taste.
Food of our origin and our deep roots in the culture of Mediterranean living we offer a unique, completely different and absolutely innovative basket of plant-based, grab & go solutions, and clean label products. So, everybody can enjoy the earth grown taste of Mediterranean living.
