* Benefits

12 month aged cheddar is an instant classic. Building on Face Rock Creamery's legendary cheddar flavor and quality, this cheese is artfully aged in our caves for just over 1 year. This maturing brings out the cheese's natural sharpness, which balances perfectly with the sweet and buttery notes. Locally sourced milk, a proprietary formula, and the highest attention to detail combine to produce this memorable cheddar.

Ingredients

Pasteurized Cow's Milk, Salt, Culture, Enzymes(Non-Animal, Microbial)

⚠ Allergens
