* Benefits

These bright green fresh pitted Italian olives come from Castelvetroano on the island of Sicily. They have a meaty, buttery flesh, and a rich, but mild flavor. Castelvetroano olives are among the most popular Italian olives. Their beautiful green color makes them a wonderful addition to your cheese or charcuterie board. Their mild flavor is another great feature; when you are not an olive lover, the Castelvetroano olives may be the ones you need to try. Contain pits and pit fragments. Keep refrigerated.
