Ricotta is an Italian whey cheese made from sheep, cow, goat, or Italian water buffalo milk whey left over from the production of other cheeses. Like other whey cheeses, it is made by coagulating the proteins that remain after the casein has been used to make cheese, notably albumin and globulin. Use in lasagna, manicotti, stuffed shells and other Italian pasta dishes. Add fresh fruit and honey for a great breakfast or snack. Put on top of toast, crostini or crackers. Can be used for baking in cheesecakes and cookies or whip up a batch of Lemon Ricotta Pancakes.
