Our signature Oatcakes now have a chocolate-y twist. Effie's Cocoacakes are crisp, buttery cookies lightly malted and layered with toasted coconut. Deep, dark and oh-so delicious, try with a glass of cold milk or crumble on top of your ice cream.

## Benefits

Behold the Biscuit! The first bite of an Effies biscuit is a moment of pure delight. Lightly sweet with a bright finish of salt, theyre more refined than a cookie, more dynamic than a cracker. Savor on their own or as a perfect companion for tea and coffee.
When only chocolate will do, reach for these crisp and lightly sweet Cocoa Biscuits. Weve turned up the flavor, combining malted cocoa, crisp layers of oats and toasted coconut. Top with a dollop of mascarpone and fresh berries or a bright marmalade. Makes a great crumbled topping for ice cream, too.
