* Benefits

Gorgonzola Dolce DOP is a high moisture blue cheese with delicate blue and green veining. It is milder than Gorgonzola Piccante, with a milky and mildly piquant flavor and creamy, spreadable texture. While a wonderful culinary cheese, it is also lovely to enjoy simply spread on bread or a cracker. The mellow funkiness of the cheese also lends itself to pastry applications. The Leonardi family has been making Gorgonzola in Novara for three generations. They have won numerous international awards over the years. While staying true to the traditions behind this important cheese, they have also incorporated modern production techniques for the best quality and consistency. The cheese comes in foil-wrapped and sealed quarters.
