* Benefits

Le Marquis Chevre Rambouillet Bleu is a farmhouse blue pure goats milk cheese coated in ash giving it a distinctive blue appearance. Made at the edge of the forest of Rambouillet on the outskirts of Paris, thetraditional coat of fine charcoal encourages a unique rind to form a protective coat, whileselected strains of Penicillium Roqueforti mouldform an intricate webof dark blue veinsinside. The secret of this soft, supple cheese is that it starts with exceptional quality fresh milk collected from the farm's pristine herd of 600 Alpine goats and the result is a triumph of modern farm cheese-making techniques. Will Studd selected Le Marquis Bleu de Chevre for its enticing, mild, savoury blue flavours, which gradually develop as the cheese ages.
