### \* Benefits

Divina pitted Kalamata are the real deal; picked in western Greece and cured for up to six months to draw out the fruit's depth of flavor. The pride of Greece, our authentic Kalamata are smoky, fruity and perfect for tossing with pasta, greens and grains. During the harvest, growers will return to an olive tree several times over a period of weeks to ensure that each olive is picked at its ideal size. Our pitted Kalamata are sorted by hand for consistency and undergo an extensive pit check process including sorting, washing and X-ray detection. To ensure authenticity in your Kalamata, seek out the iconic traits of the olive: aubergine color, elongated pointed tip, smoky and fruity flavor.
