\* Benefits

The Singleton family first started making cheese on the grassy slopes of rural northern England in 1745. Cheesemaking is currently masterminded by father-and-son team Tom and Adrian. Their dairy is only a few miles from the tiny farm where the Singletons' story began.

This Sage Derby combines the very best English Cheddar with dried sage. The resulting eye-catching cheese has a green, marbled appearance. Sage Derby delivers the creamy tang of a Cheddar with the herby, brothy notes of sage.
