* Benefits

Family owned and operated since 1986, Bellwether Farms is located in Sonoma County, California, about an hour north of San Francisco, a few miles from the Pacific Ocean, in some of the finest dairy land in America. We established the first sheep dairy west of the Rockies and our flock continues to graze on bucolic hillsides surrounding the farm. We are committed to making the very best cheese and cultured dairy products using full-fat milk from local Jersey cows and natural, whole sheep milk with its abundance of nutrients and good fats intact. Our award-winning French-style cultured cream has a rich, nutty flavor with an appealing tart finish. Truly a chefs secret ingredient, Crme Fraiche is now at home in kitchens across the US. Unlike sour cream, it never curdles in sauces or soups and brings complex richness to the simplest recipes.
