

Grand Suisse

98127 - Gruyere Cuts

Gruyere is a raw cow's milk cheese with deeply complex and delicious flavors of butter, nuts, grass, and brothy meatiness. It's a classic ingredient in fondue and for melting. When melted the cheese becomes velvety soft, with a gooey stretch that cheese lovers dream about.

* Benefits

Gruyere is a Swiss staple and beloved cheese around the world. Switzerland is so proud of this cheese that its production is strictly regulated. Any cheese bearing the name 'Gruyere' can be trusted as the authentic product of Switzerland, made in the traditional way. Gruyere is a raw cow's milk cheese with deeply complex and delicious flavors of butter, nuts, grass, and brothy meatiness. It's a classic ingredient in fondue and for melting. When melted the cheese becomes velvety soft, with a googe stretch that cheese lovers dream about. Gruyere is available at different ages, after various stages of maturation. The longer the cheese is a ged, the more intense the flavors will be. Gruyere is a must-try for any cheese lover. Try it in grilled cheese, on burgers, pizza, pasta, or on classic French onion soup. Any melting application will do well with Gruyere. It's also deliciously snackable. Try it once and prepare to fall in love.
