Queen Charlotte's take on original pimento cheese. Extra sharp cheddar, white sharp cheddar, and pepper jack, and hatch chilies, combined with our cream cheese/Duke's Mayo base. The Boston Globe says it's "worthy of eating with a spoon".

* Benefits

Crown the Hatch was born when the The King of Chiles met the Queen of Pimento Cheese in this Southwest vs. Southeast mashup for the ages. Sharp White Cheddar, Hot Pepperjack, the Queens secret seasoning blend, and all the genuine Hatch Chiles we could fit into one tub combine to create a one-of-a-kind cheese blend thatll leave any chile-fiend begging for more. The Boston Globe says it's "worthy of eating with a spoon", and Southern Living says "there's a reason they call it 'Royale'", but don't take their word for it!
