* Benefits

Shaft's Cheese & Co specializes in the aging of blue cheese, cheese and cheese related products. Our cheeses are aged for a minimum of one year, are rBST free, pasteurized and made with microbial (vegetarian) rennet. Due to the aging process, our cheeses are also naturally lactose free.

Our Shaft's blue cheese stuffed olives are the perfect pairing of our Shaft's one year aged blue, stuffed into a CA queen olives. These blue cheese stuffed olives are packed brineless, which allows us to use 100% blue cheese. The olives are naturally cured over a period of 10 months and have a crisp, nutty taste you would expect from a high quality olive. The combination of a naturally cured CA queen olive stuffed with 100% Shaft's aged blue cheese creates the freshest blue cheese stuffed olive you will find.
