^{*} The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Handling Suggestions

TABASCO Sauce should be stored in a cool place away from direct light, such as a cupboard, pantry or cabinet. It doesnt have to be refrigerated after opening. Once a bottle of sauce is opened, the color may change, but the product wont spoil. Refrigeration almost always helps to slow this process but isnt required.
