Serving Suggestions

Over 1 billion* orders of mashed potatoes are served in foodservice annually. Potatoes are a well-loved side dish. They are a versatile base to add a signature dish. Mustard Mashed Potatoes - add spicy brown mustard. Cheddar Scallion Mashed Potatoes - add scallions and cheddar cheese. Sage and Brown Butter Mashed Potatoes - add sage and browned butter. Use mashed as a side or as a base for the entree. Lower food costs by increasing the serving of mashed and decreasing the serving of protein. Mashed can be used as a thickener or can be added to scratch-made mashed to extend hold time and recipe quantity.

Prep & Cooking Suggestions

1: Pour 2 gallons boiling water in mixing bowl. 2: HAND MIX: Add potatoes, stir constantly with whisk. Let stand for 1 minute, stir well and serve. MACHINE MIX: Using whip attachment, mix on low; slowly add product. Scrape bowl, whip on high until fluffy (2 minutes). 3: Ready to serve or to add recipe ingredients. [Alternate] Add more boiling water to make potatoes thinner, more potatoes to make thicker. This is a no salt product, season to taste.
