* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Handling Suggestions

60 units per case (6.5 oz per unit).
"Best if Used By" code date.
Store in freezer 0 degrees F or colder. Cinnamon roll dough is not ready-to-eat and must be thoroughly cooked before eating. To prevent illness from naturally occurring bacteria in wheat flour, do not eat raw dough; wash hands and surfaces after handling.

Serving Suggestions

Suggested serving is one cinnamon roll. Consider topping with icing, caramel or nuts to vary the offering.

Prep & Cooking Suggestions

Place frozen cinnamon roll dough on tray lined with parchment paper. For best results, thaw overnight in cooler 8-12 hours or quick thaw at room temperature for 1 - 2 hours.

For proofing, proof until dough doubles in size or until dough holds indentation when lightly pressed with finger. Bake times will vary by oven type and oven load. (see case package for specific details)

Cinnamon rolls are fully baked when center curl springs back when lightly touched. Spray or brush hot cinnamon rolls with simple syrup. Allow to cool before further finishing.
