Handling Suggestions

Product should be stored between -10 and10 degrees F

Serving Suggestions

Serve three in a basket with curly fries for a quick lunch entre. Serve several in a basket with dipping sauce for a shared appetizer or meal. Serve three to four on a plate with fries for a main-menu item. Use sliders to create a sample platter of the house gourmet /specialty burgers. Serve on childrens menus - for even more fun serve on a frisbee or in a small bucket. Serve adozen individually wrapped sliders in a beach bucket for taking out to picnics or tail-gates. Mini-burgers make great finger-food for parties!

Prep & Cooking Suggestions

Cook patties from frozen state for best results. Grill: Place on a preheated (350F) grill and cook until juices begin to pool. Turn pattie and continue cooking until juices run clear. Always cook ground beef products to an internal temperature of 160F.
