Handling Suggestions

Product should be stored between -10 and 10 degrees F

Serving Suggestions

With biscuits and gravy. On a biscuit for a breakfast sandwich. With eggs and hash browns. On a roll with fixings and fries for a hot sandwich plate. With mashed botatoes and gravy for a hearty country-style entre. With vegetables and a dinner roll for a lighter entre. Dress like a club on a bun, then quarter and fill center with fries, and serve with house salad or soup.

Prep & Cooking Suggestions

Always cook from a frozen state for best results and to reduce cross contamination. Deep fry at 350F until fritter floats to surface. Always cook ground meat products to an internal temperature of 160F.
