Benefits

Frozen orange blossom batter makes tender, moist muffins. Quickly thaw and portion batter directly from the pipeable tube with no mixing or measuring required. Bake large or small batches of several flavors, minimizing waste from unused batter. Each pipeable tube is three pounds. The pipeable tube packaging features 86% less plastic than 18 pound pails for improved sustainability and efficiency. It is a highly tolerant and versatile formula that can create a wide range of delicious baked goods from just one batter. Allows you to bake authentic, fresh and on-site products.
