Handling Suggestions

Scone dough is not ready-to-eat and must be thoroughly cooked before eating. To prevent illness from naturally occurring bacteria in wheat flour, do not eat raw dough; wash hands and surfaces after handling.

Serving Suggestions

Suggested serving is one scone. Great for applications in coffee shops or quick serve operations. Consider drizzling baked scones with icing or chocolate to vary the offering.

Prep & Cooking Suggestions

Place frozen scones on a parchment-lined baking sheet. Arrange scones in a 4x3 pattern for a full sheet. Baking times vary by oven and load. Scones are done when the center springs back when lightly touched. Cool completely before removing from sheet. Baking Instructions: Convection Oven (325F/160C): 24-29 minutes; rotate halfway through baking.

Rack Oven (350F/180C): 29-34 minutes. Standard/Reel Oven (375F/190C): 29-34 minutes.
