Premium, frozen muffin batter with rich, chocolate chunks and cappuccino flavor blended throughout. The bulk, 18 lb pail packaging uses a thaw, scoop and bake format.

# \* Benefits

Frozen muffin batter with rich, chocolate chunks and cappuccino flavor blended throughout in a 18 lb pail. The thaw, scoop and bake format allows operators to bake large or small batches, minimizing product waste from unused batter. The 18 lb pail packaging helps decrease the labor and time needed to produce fresh baked muffins. This type of packaging is well-suited for high volume operations. Pillsbury muffin batter is formulated to produce tender and moist muffins consistently. Batters contain no artificial flavors, no colors from artificial sources and are PHO free. Consider baking off smaller batches of different flavors to offer more variety for patrons without worry about product waste.
