* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Handling Suggestions

Keep frozen. Scone dough is not ready-to-eat and must be thoroughly cooked before eating. To prevent illness from naturally occurring bacteria in wheat flour, do not eat raw dough; wash hands and surfaces after handling.

Serving Suggestions

Suggested serving is one scone. Great for applications in coffee shops or quick serve operations. Consider drizzling baked scones with icing or chocolate to vary the offering.

Prep & Cooking Suggestions

Place frozen scones on parchment lined baking sheet. Bake times will vary by oven and load (see case package for specific details). Scones are done when tops are golden brown. Cool before removing from baking sheet. Best if served warm.
