Handling Suggestions

Keep refrigerated or frozen. Thaw in refrigerator or microwave. Keep raw meat and poultry separate from other foods. Wash working surfaces (including cutting boards), utensils, and hands after touching raw meat or poultry. Cook thoroughly. Keep hot foods hot. Refrigerate leftovers immediately or discard.

Serving Suggestions

For slicing ease, carve roast into 1/8" slices. Save any juice that is in the pan after cooking for a delicious au jus to pour over the slices or shredded pork.

Prep & Cooking Suggestions

Preheat oven to 275 F. Season roast to taste and place lean side down in shallow pan. Cook uncovered for 55-85 minutes per pound until tender and reaches an internal temperature of at least 185 F. Remove roast from oven and let rest 10-15 minutes before slicing. Ovens vary. Adjust cooking time accordingly.
