* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Handling Suggestions

Handling tips to prevent sauce spoilage: 1) Always use top quality seasonings, 2) Chill heated sauces as rapidly as possible, 3) Keep open sauces refrigerated until use, 4) Never combine old and new sauce batches. Stanislaus is proud to unconditionally guarantee the quality of all our products -- every day, can after can, year after year. We welcome your call at 800-327-7201!

Serving Suggestions

Stanislaus selects plum tomato varieties for Alta Cucina known for their soft, sweet, and melt-in-your-mouth texture, making them ideal for "hand-pulping" in your favorite "Real Italian" recipes.

Prep & Cooking Suggestions

For the freshest possible tomato flavor, use Alta Cucina(r) alone or blended with other Stanislaus tomato products to achieve your ideal sauce consistency. Try to avoid "cooking down" tomato products to create a thicker sauce, or "watering down" to make a thinner sauce -- both practices damage fresh flavor!
