Handling Suggestions

Ship and store between 50F and 80F. Do not refrigerate or freeze. Store in a cool dry place.

Serving Suggestions

A single serving is one pump which is equivalent to one single tub serving. Use in moderation for your perfect cup.

Prep & Cooking Suggestions

Record date the bottle is opened on the white date code area on the label with a permanent marker. Remove cap and safety seal. Remove pump from plastic bag. Turn nozzle counter clockwise until it releases. With clean, dry hands insert straw into pump. Insert pump into the bottle and turn cap clockwise until it locks into place. Prime the pump by pressing 2-3 times. Dispense one pump to coffee for each single-serve liquid creamer normally used and stir. Leave on the counter or place in rack and enjoy. Do not refrigerate or freeze.
