\* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Handling Suggestions

Spices should be stored in a cool, dry place. They should be protected from flavor loss and moisture by making sure containers are tightly closed when not in use. Avoid exposure to heat, humidity, moisture, and direct sunlight or fluorescent light to retain flavor and color.

Serving Suggestions

In addition to trying Chili Powder in your Mexican or Mexican style dishes - try Dark Chili Powder in your cocktail sauces, barbecue sauces and dips to give them a touch of a Southwestern flavor.

Prep & Cooking Suggestions

Chili Powder's flavor is earthy and slightly sweet. It is intended to dominate food rather than enhance and imparts a mild heat flavor with the earthiness of cumin.
