For our dairy cooperative of 340 family farms, going above and beyond is what we do every day. We like to think of it as having good values. And for Upstate Farms, having good values is what making quality yogurt is all about. It means we know every single cow that produces our milk and only the finest ingredients go into our yogurt. It means better tasting, higher quality products because we're dedicated to yogurt made with good values right from the start. Made with real fruit, and sweetened with read sugar, no HFCS, artificial colors or flavors or gelatin. Offers a
